THE MARCH OF PROGRESS OUR LATEST IMPROVEMENTS!

"Competition is the Life of Trade," and if you have not seen our latest improved goods you cannot imagine how lively trade is, or how hard our competitors have to work to keep within sight of us. Ask your retailer for the JAMES MEANS' \$3 SHOE, or the JAMES MEANS' \$4 SHOE, according to your needs.

Positively none genuine unless having our name and price stamped plainly on the soles. Your retailer will supply you with shoes so stamped if you insist upon his doing so; if you do not insist, some retailers will coax you into buying inferior shoes upon which they make a larger profit.

Such has been the recent progress in our branch of industry that we are now able to affirm that the James Means' \$4 shoe is in every respect equal to the shoes which only a few years ago were retailed at eight or ten dollars. If you will try on a pair you will be convinced that we do not exaggerate. Ours are the original \$3 and \$4 shoes, and those who imitate our system of business are unable to compete with us in quality of factory products. In our lines we are the largest manufacturers in the United States.

One of our traveling salesmen, who is now visiting the shoe retailers of the Pacific Coast and Rocky Mountain Region, writes from there as follows:

Now, kind reader, just stop and consider what the above signifies so far as you are concerned. I assure you that if you keep on buying shoes bearing no manufacturer's name or fixed retail price stamped on the soles, you cannot tell what you are getting and your retailer is probably making you pay double what your shoes have cost him. Now, can you afford to do this while we are protecting you by stamping our name and the fixed retail price upon the soles of our shoes before they leave our factory, so that you cannot be made to pay more for your shoes than they are worth?

Shoes from our celebrated factory are sold by wide awake retailers in all parts of the country. We will place them easily within your reach in any State or Territory if you will invest one cent in a postal card and write to us.

PLEASANT GROVE PARAGRAPHS

POTATOES are cheap. The stores in Pleasant Grove issue scrip.

The people have found it difficult to get cash enough to pay taxes.

The cornice of the new City Hall is being painted preparatory to removing the scaffolding.

THERE appears to be considerable sickness in Pleasant Grove, but no more, if so much, than in other settlements in Utah Valley.

THE Pleasant Grove Dramatic Company are rehearsing "The Octoroon," which will be presented in Clarke Bros. Opera House on or before Christmas Eve. After that the company expect to give entertainments at regular intervals during the winter.

JAMES ARMITSTRAD met with quite a serious accident this morning, by stepping on a piece of glass which cut through his boot, inflicting a very painful if not a serious wound in his foot. He subscribes for THE HERALD to help while away his leisure time while nursing the sore foot.

THE continued fine weather has given the people ample time to prepare for stormy winter, and everybody thought themselves ready until a drizzling rain commenced Monday morning, which seemed to take the people fairly by surprise. When it commenced raining, everybody discovered something to do preparatory for winter weather, consequently Monday was a busy day in this city.

THE farmers here appear to be in about the same predicament as those in Payson, Provo and other towns in Utah County. They seem to have made a specialty of raising potatoes, consequently the supply is greater than the demand, and the farmers have not realized so much for their spuds as they expected, and many thousand bushels have been stored away for better prices next spring. To hear some of the farmers in Pleasant Grove, one would think there had been no sale for potatoes this fall, and yet one firm, Hayes Brothers & Co., have shipped away twenty-seven carloads of potatoes and six carloads of apples, and also kept two teams hauling fruit and vegetables to Park City. The Co-op. store and other firms have also been engaged in the business.

PLEASANT GROVE, November 26, 1888.

I HAVE not used all of one bottle yet. I have suffered from catarrh for twelve years, experiencing the nauseating, dropping in the throat peculiar to that disease, and now bleed without benefit until last April, when I saw Ely's Cream Balm advertised in the Boston Budget. I procured a bottle, and since the first day's use have had no more bleeding--the soreness is entirely gone. D. G. Davidson, with the Boston Budget, formerly with Boston Journal.

Teachers' Institute.

Meeting called to order at 10.30 a. m. W. M. Stewart in the chair. Roll and minutes were omitted on account of secretary's absence.

Miss Faust stated that she did not believe in coining children; but in extreme cases did approve of corporal punishment. She was misunderstood in her remarks of last session.

Primary reading was treated by Mr. Dean. He stated that words with ideas should be taught first. Script should precede print. Phonics should also be taught to train the organs of articulation. A spirited discussion followed as to whether script should be taught first; or whether script and print should be taught together. Programme for December 9th: I.—Miscellaneous Ex. 2.—Question Drawer. III.—General Discussion. The use and abuse of examination, and reports. IV.—General History in advanced grades—Mr. Collins. An examination for teachers will be held in the Thirteenth Ward school rooms next Saturday, at 9 o'clock a. m.

Meeting adjourned for two weeks.

A Sound Legal Opinion.

E. Bainbridge Munday Esq., County Atty. Clay Co., Tex., says: "Have used Electric Bitters with most happy results. My brother also was very low with Malaria Fever and Jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life."

Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: He positively believes he would have died, had it not been for Electric Bitters.

This great remedy will ward off, as well as cure all Malaria Diseases, and for all Kidney, Liver and Stomach Disorders. Price 50 cents and \$1.00 at A. C. Smith & Co's.
